**Additional Backup Information**

This contract is for the fire door barrel assemblies for the inbound and outbound baggage conveyor system. These replacement assemblies serve two purposes; act as a fire stop to prevent fire from spreading throughout the facility and to provide a security barrier between the secure and non-secure areas of the Austin-Bergstrom International Airport.

This contract was issued as a sole source contract in 2009. This recommended Council action is to approve Amendment No. 1 in an amount not to exceed \$20,000 for the final 12-months of the initial 36-month contract and the authorization to enter into the final option periods for \$20,000 each when appropriate, for a final contract value of \$100,000.
